Texas Association of Secondary School Principals Corporate Partnership Program

The Texas Association of Secondary School Principals is an association formed by and for over 5,600 campus level administrators. Established in 1923, its purpose is to build an active network of educators that want to take responsibility for the quality of school leadership. TASSP focuses on the need for collaboration between all stakeholders in education while using as its foundation a very effective volunteer force that provides a statewide knowledge base and informed leadership.

Because TASSP members make the purchasing decisions for their middle level and high school campuses, and because our business partners supply the materials and services that benefit schools, we feel that TASSP is strategically organized to bring the two groups together.

Please take time to review this brochure. TASSP has combined into one annual prospectus, opportunities for businesses to select from a menu of exhibit shows, print advertising and sponsorships. An alliance between school leaders and business leaders offers a clear opportunity for mutual benefit.

Corporate Partnership Levels

TASSP is honored to work in partnership with corporations who choose to support the mission and goals of providing quality professional development to secondary school leaders. The contributions received through this program go directly to securing well-known consultants, researchers, and experts on topics of interest to secondary school leaders. This program gives corporate partners expanded opportunities to meet face-to-face with TASSP members at workshops, seminars and conferences.

Become a partner in Texas Secondary Education and select a plan that ensures you receive maximum exposure for your dollars.

TASSP Workshop Exhibits:

The exhibit show at TASSP events provides a relaxed setting for the school buyer to consider and select products for their schools. See the Exhibit Contract for dates, pricing and booth information. Call Ofra Levinson ofra@tassp.org for more information: (512)443-2100 x8507.

2023 TASSP SUMMER WORKSHOP

- More than 2,700 secondary school administrators are expected to attend the event.
- To increase traffic in the Summer Workshop Exhibits, some booths can be designated as TASSP Passport Booths. Attendees who visit these passport booths are eligible to win cash prizes.
- With more than 140 exhibitors representing a variety of school-related products, and demonstration sessions, it's the center of activities.

ASSISTANT PRINCIPAL WORKSHOP

- Average registered attendance: 300
- This workshop gives the business partner an opportunity to build customer loyalty with the Assistant Principals (and many future Principals) of Texas. There is also a strand for students enrolled in the university principal certification programs.

MAKING MIDDLE SCHOOL MATTER SYMPOSIUM

- Average registered attendance: 300
- This workshop gives the business partner an opportunity to build customer loyalty with middle level administrators and teachers.

TEXAS STUDY OF SECONDARY EDUCATION

Magazine Published Fall/Winter and Spring/Summer

The Association's professional journal, the Texas Study of Secondary Education, is published in the fall and in the spring and mailed to all members. Each issue focuses on topics of interest to secondary school administrators with authors ranging from experienced members to nationally recognized experts in education. Exhibitors can use the Texas Study to encourage traffic and promote interest in their booth at the subsequent TASSP Exhibit Shows. For those companies who don't exhibit at workshops, an ad provides a way to reach all TASSP members.
