

The Texas Association of Secondary School Principals Presents:

Assistant / Aspiring Principal Workshop

February 10 - 12, 2019

Hilton Austin Airport Hotel

This program is for ALL GRADE-LEVEL assistant principals, elementary through secondary, and for teacher leaders looking to become campus administrators.

The Assistant Principal Workshop offers a unique opportunity for leaders who work very closely with students on academic needs, work with teachers on instruction and work as a team on the management of student discipline, extra-curricular activities and more. This workshop has been a great success because the focus is on the role of one genre of leader...the assistant principal! The workshop focuses on the AP as an instructional leader and lead teacher of teachers, a responsibility that is quite challenging when moving from the classroom to the administrative office. Also included in the agenda is training on documentation, school safety, legal updates, curriculum updates and more.

Program Highlights:

- Keynote Sessions led by: Dr. Ruby Payne - Emotional Poverty | Jacob Edwards - Safe and Civil Schools Walsh Gallegos - Legal Update and ARD Procedures | TEA Commissioner of Education - Dr. Mike Morath
- An optional in-depth Documentation Training Session with Dr. John Crain, co-author of the *Texas Documentation Handbook*.
