Welcome to the TASSP 2026 Summer Workshop

TASSP PRESIDENT 2025-2026

Carlin Grammer, Principal

Copperas Cove High School, Copperas Cove ISD

Welcome to Dallas and the 2026 TASSP Summer Workshop! I am excited that you all chose to join us for this amazing event as we learn and grow our professional networks.

TASSP is the largest and oldest secondary school principal association in the world. I encourage you to take advantage of the opportunity to learn from education professionals from all over the nation. You will discover a multitude of best practices and tools to assist you in providing the best educational experience possible for your students.

Over the past year, I have been fortunate to travel all over Texas with our Executive Director, Dr. Billy Pringle. It has been my privilege to meet so many inspiring leaders and to learn of the great things you are doing in your schools. During these visits I have emphasized our theme of “Leading in a Changing Landscape”. Education is an ever shifting environment that requires skill and determination to navigate. I can safely say that the principals and assistant principals in Texas’ secondary schools are up to the task and are dedicated to our TASSP theme of “Above All, Students First!”

Once again, thank you for attending this year’s Summer Workshop. I know you will find this year’s event to be an enjoyable and valuable time of growth and learning.

TASSP EXECUTIVE DIRECTOR

Dr. Billy Pringle

Welcome to the Hilton Anatole in Dallas, and to the 103rd annual TASSP Summer Workshop. We are delighted that you have chosen to join nearly 2,000 secondary school administrators, over two hundred speakers and over one hundred exhibitors for a time of renewal through this high-quality in-person professional development conference.

This marks the second year that the TASSP Summer Workshop has been held at the Anatole. This beautiful facility will be our home in the summer of 2027 and 2028 as well. We will return to the Austin Convention Center in 2029, when the city of Austin has completed their new venue just in time for our conference.

This year’s Summer Workshop has been designed to allow you the opportunity to gain continuing professional education credit hours in an array of educational areas. By your attendance at this Summer Workshop, you are demonstrating to your students, staff, and community your commitment to educational excellence. Only through professional growth and development can you continue to effectively lead your school and when unforeseen circumstances arise, you will be better prepared to do things in a way you never dreamed possible.

We wish you a successful workshop experience. Please take the time to connect with colleagues and make new acquaintances during this time together! Make this your opportunity to grow professionally, and we hope that you return to your campus refreshed and recharged!

And as always, remember the TASSP motto –

“Above All, Students First!”

Recording CPE Hours

Educators are required to keep a record of their professional development hours to meet the number of required hours for maintaining their certification. TEA suggests that educators keep a copy of attendance in a personal file in the event of an audit regarding certification. The Texas Association of Secondary School Principals approved provider number is 500-111. TASSP does not keep a copy of attendance by session at TASSP-sponsored workshops and conferences. On the TASSP Event App, there is a CPE form that attendees can use to record attendance by session, title, CPE Standards, and time. Read more about the Standard Certificate Renewal Requirements at the TEA Website.

Social Media

We strongly encourage attendees to post photos and “selfies” while attending the TASSP Summer Workshop. Please use our hashtag #TASSP2026 for all conference/workshop postings. Be sure and utilize the various selfie stations located near registration, the exhibit hall, and outside of Trinity Ballroom. You can also post pix and comments on “Social Timeline” in the event app! Active users could be chosen for a gift card!

Presenters/Facilitators Check-In

All workshop presenters must check-in before their presentation at the TASSP Registration Booth located on the First Floor of the Anatole Tower in front of the Peacock Terrace.

Exhibit Showcase: Hours of Operation

GENERAL SESSION KEYNOTES

Jonathan Alsheimer - Grand Opening General Session • Tue. 8:00a

Taking Leadership to the Next Level

Nationally recognized educator and keynote speaker Jonathan Alsheimer delivers a powerful and energizing message that reignites the heart of educational leadership. In this session, Jonathan challenges school leaders to reconnect with their purpose, their people, and the classroom experience that first inspired their journey. This session highlights the extraordinary influence leaders have in shaping school culture—encouraging them to lead from the front, model passion and purpose, and create a ripple effect of positivity throughout their schools. Jonathan will also explore the critical topics of student motivation and enhancing student engagement, equipping leaders with the inspiration and strategies needed to move the needle for their schools.

Dr. Tron Young - First General Session • Tue. 2:00p

Be the Thermostat, NOT the Thermometer

It is crucial to be intentional and purposeful in setting the culture of your school or classroom. We have to be the Thermostat and not the thermometer. There is a clear and distinct difference. The thermometer reads what is going on, how the students interact, what the parents say, and how the building/classroom flows. The Thermostat transforms what is going on, sets expectations, continues adjusting for student interactions, informs parents of what is going on, and initiates actions to set the culture of the building or classroom. Ask yourself, are you the THERMOSTAT or the THERMOMETER? If you are ready to be the thermostat, Dr. Young will inspire you with stories and action steps to help you BE THE THERMOSTAT in your classrooms and school.

Liz Dozier - 2nd General Session • Wed. 9:00a

The Radical Power of One

A single star is formed when great, unseen forces balance together to seemingly defy what is possible. That type of consequential shift can also happen when one single person decides to challenge the institutions and systems that stand in the way of student success. Join former Chicago Public Schools high school principal and Founder & CEO of Chicago Beyond, Liz Dozier, to hear how the radical power of one is enough to defy barriers in order to create more healthy ecosystems for youth to thrive.

Dr. Danny Brassell - 3rd General Session • Wed. 2:30p

Bringing Joy Back into Education

Educators (teachers, administrators and staff) did not enter education for the pay or daily accolades from society; they are in it because they care about kids. The standardized testing craze and pandemic have terrified students, overwhelmed parents and led many great educators to quit. Come join Danny as he reminds you of your importance as an educator in the everyday development of children. He'll remind you how to laugh, sing, dance and play in order to bring the joy back into education.

Dr. Gholdy Muhammad - Closing General Session • Thu. 10:00a

Genius, Justice & Joy: Moving Toward Pursuit-Driven Learning for the Future of Education

In this keynote, Dr. Gholdy Muhammad offers a unique, culturally, and historically responsive approach to cultivating genius and joy in education. This approach is essential for accelerating the growth of all students and uniquely youth of color, who have been traditionally underserved in learning standards, policies, and school practices. She will present her equity framework, called the HILL Model, to help educators develop students' histories, identities, literacies, and liberation.

Dr. Sarah Johnson - Women in Leadership Luncheon (Ticket Req'd) • Tue. 12:00p

Taking Charge Versus Taking Care: Examining Effective Leadership through Gender Dimensions for Women in Leadership

Leadership is complex with the variety of interactions in wide ranges of stakeholder groups. Being a woman in leadership can add another layer to the challenge due to established societal norms and stereotype bias. Have you ever been tagged as aggressive when you were looking to be assertive? Been told you don't cry enough or are too emotional? It's time we talk about gender dimensions in leadership! This session will examine leadership behaviors through the lens of gender dimensions and empower participants to reflect upon their own styles to determine strategies for overcoming potential gender stereotype bias in their leadership role.

2026 TASSP STUDENT AWARD WINNERS

Fourteen outstanding seniors have been named to the 2026 TASSP All-State Academic Team. Designed to recognize high school seniors for their outstanding academic achievements, the program focuses attention on the rewards of superior scholarship. Many outstanding senior students were nominated by their high school principals based on the students' scores on the SAT or ACT test, overall academic grade point average, pursuit of advanced diploma and other evidence of exceptional academic ability. Each nominee was asked to write a 300-500 word essay to submit with the application. The program will recognize these graduating Texas seniors with an unrestricted scholarship of \$500.

The Texas Association of Secondary School Principals and its members recognize that students' achievements often go beyond academic accomplishments. The TASSP Teens Serving Texas Recognition Program was established to honor and recognize high school seniors who have demonstrated excellence in areas of community service, leadership and personal accomplishment through unique endeavors, obstacles overcome or special talents. The program will recognize five graduating Texas seniors with an unrestricted scholarship of \$500. Finalists were recognized locally with plaques provided by TASSP. Finalists are recognized locally with plaques donated by Jostens and both groups will be honored with a luncheon and at the Third General Session at the June Summer Workshop.

Congratulations to all of these awesome students and their principals!

Helping Texans

is at the heart of H-E-B.

Over 115 years ago, we opened our doors to help make the lives of hard-working Texans better. We were a family business back then. We remain a family business today with a passion for - and a helping hand in - every community we serve.

From fighting hunger and providing disaster relief to honoring Texas educators and our Nation's military, we're firm believers in Texans helping Texans. We do this for one simple reason. **We are from here, so we are helping here.**

Helping Here.

HUNGER RELIEF ★ EDUCATION ★ DIVERSITY ★ HEALTH & WELLNESS
SUSTAINABILITY ★ DISASTER RELIEF ★ MILITARY APPRECIATION

Fundamental 5 NATIONAL SUMMIT

FUNDAMENTAL 5 2026

September 27-28, 2026 (Sun & Mon) | Austin Airport Hilton

This program is for ALL GRADE-LEVEL student teachers, teachers, instructional coaches, assistant principals, principals and central office administrators.

The Fundamental 5 are the instructional practices that help make learning stick and can be used from kindergarten through high school, in any classroom, with any subject. The Fundamental 5 represents the first line of defense in intervention strategies for struggling students while also positioning academically stronger students to achieve at levels previously beyond the collective imagination of the profession.

Don't miss this opportunity to learn from Sean Cain and the Lead Your School team with the sequel to the Fundamental 5 book –The Fundamental 5 Revisited - Exceptional Instruction in Every Setting. Sean Cain will have his sequel available to purchase at this conference!
